

The Original Window Valet™

For 1997 - 2004 C5 all models.

Previously installed on 2004 convertible.

1. Remote control power windows
2. Enhanced Accessory Power Modes
 - a. Stock radio power up
 - b. Passenger Door Lock Assist
 - c. High Speed Report

This high-tech add-on is a must for convertibles with great features for all models. Simple to install as it plugs easily into the OBD-II port. If you need access to the port, no problem since Window Valet retains its memory and settings.

New: \$149.00

Offered at: \$89.00 (includes data sheets and instructions)
