JIM'S JOTTINGS

Thanks so much to all members who turned out to work at our first Corvanna. We had a wonderful group and no one person had to work too long without relief. A great big "thank you" to Ron Trethan and his committee who set up such a terrific course. All entrants seemed to be very enthusiastic about it, as evidenced by the number of re-runs! (I know I enjoyed it!) The Corvanna was a great success, thanks to all of you.

Another thank you to Pat Vercelli, who arranged such a good place for our trophy awards, social, and dinner after the event.

Our June 16 meeting is at a brand new place to us, Pacific Chevrolet in Pacifica, so please "ya'll come!" It will be a joint meeting with Cuyler Corvette and Corvair Club, who make their headquarters there. Fred Stone, who has visited us at our meetings several times recently, is Vice President of this group and he is looking forward to seeing all of you. Refreshments will be served. See you there!

IT'S SEARSVILLE LAKE ON JULY 4th!

NCCA'S annual Fourth of July Picnic will be at Searsville Lake this year. That's on the Peninsula, just south of Woodside. According to social chairman Pat Vercelli, the club will provide a keg of beer but members should bring their own food. There are full facilities for your entertainment there.

AFTER-AUTCCROSS REFRESHER

Two cases of beer and one case of pop didn't last long after being opened for the Corvanna working crew last Sunday. Three cases of beer plus pop are in store for workers at the June 14 Corvanna!

Forty-five NCCA members and friends had dinner at the Green Hill after the May 24th event. Another dinner is planned for June 14. The location will be announced in a special notice.

SECOND CORVANNA AT COLATI ON JUNE 14, 1964!

*

Finally, we're getting the NCCA mailing list sent out. We've been hopefully waiting that some of the people who didn't send in new addresses and phone numbers would do so, however.....you can see some blank spots! We can complete the list if you'll send us the needed information. We'll print it in a later bulletin and then your fellow members can fill in those blanks.
