Dear Members:

Our year is fast drawing to a close. Those of you who have been on vacation or who have missed several meetings this summer, we hope to see you out the rest of the year! We have a very diversified program set up for October -- you're bound to find something to your liking! Come out and join us!

Jim

October 11 - Winery Tour to the Nicholini Winery, Chiles Star Rt., St. Helena, and Bar-B-Que at Conn Dam.

Bay Area people meet at Hy's, MacArthur & Telegraph, Oakland, at 9:00AM. We will caravan to Napa and meet the group from up that way at 11:00AM at Good Chevrolet.

Nick Viscusi will lead the way to the Winery.

After the tour through the winery (we can buy our wine there to go with our lunch!), we will caravan back to the Conn Dam picnic grounds and have our barbeque and picnic. Bring your own steaks and whatever else you wish. The Club will furnish the charcoal. Let's have a ball!

October 20 - Regular meeting at S&K Chevrolet, 2011 Solano Avenue, Vallejo, 8:00PM. We haven't been to Vallejo for a meeting for a long time!

October 25 - CLOSED EVENT 8:00AM at Cotati. Remember this is limited to members, former members who still have Corvettes, and prospective members. Only Corvettes will be allowed to run.

Practice runs until noon.

Timed runs for trophies start at 12:30PM.

5 classes for men.

2 or 3 classes for women. (Will depend on the number of entries, so turn out, gals!)

Tubes in tires a must!

\$3.00 entry fee.

If you've never run a Corvanna before, here is your chance! Come out a win a trophy!

October 31 - Halloween party at the Hotel Alameda, Broadway and  
Santa Clara Avenue, Alameda.

\$3.75 for a 12 oz. New York steak dinner  
7:00PM cocktails - 8:00PM dinner  
Semi-costume  
Bring friends -- the more the merrier!

Please send in the reservation blank below to Pat Vercelli  
before October 15. Don't delay!

SPECIAL NOTICE - October 9

At 8:00PM this evening, there will be a meeting at the  
Copper Kitchen in Newark for all autocross enthusiasts.  
There will be discussion and voting on classes and  
requirements for vehicles for next year.

This is important for our autocrossers!
